

Question ID	Objective
MML Only 1.13.8	Vocabulary relating to algebraic terminology.
MML Only 1.14.16	Identify sequences as geometric, arithmetic, or neither.
MML Only 1.14.15	Identify sequences as geometric, arithmetic, or neither.
MML Only 1.10.1	Identify independent and dependent variables.
Text C&Apps 1.7.3b	Solve applications involving adding and subtracting signed numbers.
Text C&Apps 1.11.8	Solve application problems involving converting units.
Text C&Apps 1.12.3	Solve applications involving percent decrease changes.
Text C&Apps 1.2.4	Using Venn diagrams.

MML Only 1.5.6	Find and interpret experimental probabilities.
Text C&Apps 2.16.3	Find theoretical probabilities.
Text Skills 1.9.1	Concepts relating to making and interpreting graphs.
Text Skills 1.9.2	Create and interpret bar graphs.
Text Skills 1.10.1a	Identify independent and dependent variables.
MML Only 1.10.11	Create and interpret scatterplots.
Text C&Apps 2.16.6	Find theoretical probabilities.
Text C&Apps 2.8.4	Solve applications involving equivalent expressions.

Look for "Cycle 1 Test Review (not required, but highly recommended)" in MML
